Private Lesson Incentive Award Application
(Choral, Band, String Orchestra)
2007-2008 School Year

The Northborough Southborough Music Association awards a limited number of Private Lesson Incentive Awards of \$100 each for students who are currently active in a school music program and are studying music privately, or would like to begin private study.

This application must be filled out and received by the student's school music teacher **no later than November 9, 2007**. Students are eligible to apply if they are in grades 6-12 in the public schools of Northborough or Southborough **and** if they did **not** receive an award in the **previous** school year. Selection of recipients will be based on commitment, length of time in the program and music teacher evaluation. Announcements and award distribution will be made at the school's winter concerts. The award will be valid until **June 30, 2008** and is paid directly to the private music lesson teacher.

The Northborough Southborough Music Association supports the music programs at Algonquin and Melican and Trottier Middle schools. Students benefit from the work of the association through financial awards, trophies and plaques to acknowledge success, and coordination of volunteer efforts to host events.

Student Name _____ School _____ Grade _____

School Ensemble (s) currently enrolled in:

Instrument (s)/Voice to be studied:

Parent/Guardian Name _____

Home Telephone _____ Are you currently taking private lessons? _____

If yes, from whom? _____ How Long? _____
